

MACHINE OF THE MONTH JUNE 2009

NEGRI BOSSI SINTESI CANBUS 250-950 ***DIGITAL NETWORK EXCELLENCE***

NB 250-950 (2500H/950) screw diameter 50 mm

- Dimiel 2004PC control system with LCD colour display and ergonomic membrane keyboard positioned vertically at the fixed platen, including:
 - Temperature control with Auto Tuning (automatic PID calibration)
 - Self-diagnosis
 - Quality control pack and high-resolution graphics
 - Energy consumption monitoring
 - Machine cycle programmability
 - Amico tele-service
 - Machine cycle sequence monitoring
 - Multilingual interfacing
 - Integrated quality control
 - Bi-cylindrical driver injection unit
 - **ESPC (Energy Servo Pumps Control) hydraulic system** consisting of digital variable-delivery pumps for optimal energy consumption with integrated closed-loop control of speeds and pressures throughout every phase of the machine cycle.
 - **ECF (Ecological Continuous Filtering) circuit with independent pump for the continuous low pressure filtering and cooling of the oil**
 - Closed-loop oil temperature control
 - Print data saved internally and externally on USB device
 - Printer interface

Accessory kit:

Anti-vibration feet

Timed pneumatic extraction

Hydraulic control of a jack

Special price for the months of June and July 2009: €76,000 + VAT

Terms of payment: 5% down payment, balance to be paid at 120 days

Delivery: free throughout Italy, islands included
